# BRIDGING THE GAP TO AFFORDABLE PRESCRIPTION MEDICATION

## WHO WE HELP

1 in 3 Americans are:

- Uninsured
- Under-insured
- Medicare Beneficiaries

Prescription Hope bridges the gap to affordable medication by offering over 1,500 FDA-approved prescription medications for the set price of \$50 per month for each medication, no matter the retail price.

## WHO BENEFITS

**\$30K**

An individual earning around \$30,000 per year

**\$50K**

Households with a combined income around \$50,000 per year

**\$100K**

Guidelines increase with each additional dependent in households earning a combined income of up to \$100,000 per year

## OUR PROCESS FROM START TO FINISH

- 1** Individuals submit a free enrollment form via PrescriptionHope.com
- 2** Our proprietary system optimizes access to 180 patient assistance programs
- 3** Paperwork is processed and submitted to the pharmaceutical manufacturer
- 4** Individuals receive medication directly from the pharmaceutical manufacturer
- 5** Our dedicated refill team will have another supply on its way before individuals run out of medication
- 6** Your client receives their medication month after month at an affordable price

Application process & initial medication delivery is **typically 4-6 weeks**

After enrollment there is no waiting for refills

## CHALLENGE OF AFFORDING MEDICATION

- 4 out of 5 Americans say that medication prices are unreasonable
- 35 million Americans did not fill a prescription medications due to issues of high cost
- Prescription medication costs rise faster than wage increases

### AMERICANS ARE TAKING HEALTH RISKS BECAUSE OF THEIR HIGH-COST MEDICATIONS

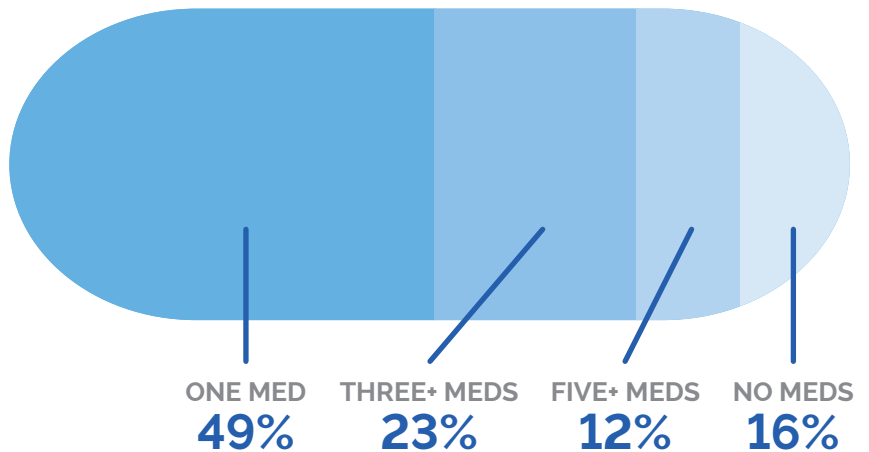

### THE PROBLEM WITH PRESCRIPTION MEDICINE IN THE U.S.
